COMMENTARII CN. CORNELI LENTULI LEGATI PRO PRAETORE

Cn. Cornelius Lentulus legatus pro praetore Daciae Sex. Lucilio et A. Tulliae consulibus et senatui Rei Publicae Novae Romanae s. p. d.

Si valetis et res publica valet, nos et Dacia valemus.

Most esteemed consuls and patres conscripti, I am very happy to report you great news! I have successfully recruited an excellent reenactment legion for Dacia, under the command of my provincial quaestor K. Quirinius Dasius who is very dedicated to the cause of Nova Roma. We are going to hold many events, programs, conventions and festivals under the flag of Nova Roma with our new Dacian legion, and I am training and preparing K. Quirinius to become the next governor when he is ready and the province is all set. Even better news is that we are in negotiations with several other Romanian Roman reenactment groups about possible affiliation, including the Legio II Traiana Fortis and some others.

It is scheduled and planned that our new allied legion in Dacia will swear an oath of allegiance to the Nova Roman Republic and they will celebrate the establishment of this new legion for Nova Roma in a public festival very soon.

During the course of the year, there will be several events which will from now on serve as official events for Nova Roma in Dacia.

In the previous year, we had an interprovincial event with the quaestor of Britannia, C. Petronius Stephanus Turpilianus, and it is planned that we are going to hold it again this year.

As far as a the organization of the online activity is concerned, I have established a provincial Facebook group as the main communication channel, but this needs much more work, as it is very seldom used by our Dacian citizens. Most communication so far happened via private chat and email messages.

In conclusion, our work in Dacia has been a complete success and we are looking forward to hear even better news, and many more of them, in the upcoming period.
